

Skin Scripts Champion Serum

A light booster serum, It boosts collagen, elastin formation & maturation by reactivating 14 “sleeping” genes after 14 days. Restores the “triangle of beauty”. Plumps skin through Hyaluronic acid synthesis, with an optimum dose of antioxidants (Vit C, Vit. E and CoQ10) and formulated with resveratrol and grapeseed oil to boost and enhance skin tone and texture.

BENEFITS:

- Strengthens cellular defence mechanisms through calorie restriction
- Reactivates genes involved in the synthesis, the maturation and the organisation of elastin fibres in the extracellular matrix. Restores “Triangle of beauty” (collagen, elastin & GAG’s)
- Reactivates genes involved in the synthesis of hyaluronic acid.
- Leaves skin soft , smooth and well moisturised
- Decreases the volume and the area of forehead wrinkles, nasal furrows and mouth wrinkles after 14 days of use
- Helps to neutralize free radicals and reverse glycation process (Calorie restriction). Reducing the calorie intake between 25 % and 65 %, while maintaining optimal levels of protein, vitamins and minerals.
- Improves environmental damage

DRA PHARMACEUTICALS,

15 Victoria Link , Route 21 Corporate Park, Irene X
31, Centurion, South Africa

DIRECTIONS FOR USE:

Apply morning and evening after Cleanser

Active ingredients:

Matrigenics: Reactivates 14 genes involved in the synthesis, maturation, assembling and the organisation of collagen And elastin fibres in the extracellular matrix. Reactivates genes involved in the synthesis of hyaluronic acid. Decreases the volume and the area of forehead wrinkles, nasal furrows and mouth wrinkles after 14 days of use.

Snow Algae: Rejuvenating & Repair, increase skin’s longevity. Protects and activates longevity factors in skin cells. Rejuvenates and protects skin at cellular level .Safeguards skin’s youthfulness by activating Klotho. Strengthens cellular defence mechanisms through calorie restriction mimetic activity

Nanomax: Combination of 2 sorts of Nanoparticles, Co-Enzyme Q10(Ubiquinone),and oil-soluble forms of Tocopherol (Vit E) and Vit. C. (NIKKOL VC-IP) They are compounds that neutralizes ROS [(Reactive Oxygen Species) and they are produced as natural by-products of the oxidative cell metabolism in our body.

MSM Anti-inflammatory, needed to manufacture connective tissue and whitening

Abyssinian oil : Light non-greasy, non-irritating, non-occlusive effective moisturization without blocking pores. Smoothes skin and restores suppleness. Replaces essential skin lipids (conditions skin). Water-proofing. Improves spreadability and high pH stability.

Meadow Foam seed oil: Imparts spreadability and richness. Provides natural luster. Improves skin moisturization. Natural antioxidant, effective against heat breakdown and resistant against oxidation

Resveratrol: Antioxidant polyphenol from red wine, it binds to specific polyphenol binding sites in epidermis, and is useful to prevent skin disorders associated with aging, 17 times more potent than ldebenone

Other ingredients

Aqua, Butylene glycol, Caprylic/Capric Triglyc-eride, Glycerin, Hydrogenated lecithin, Glyceryl Stearate & PEG-100 Stearate, Polyglyceryl-10 stearate & Sodium acrylates copolymer & Hydrogenated polyisobutene & Phospholipids & Helianthus Annuus (sunflower) seed oil, Cetostearyl alcohol, Cetearyl Alcohol (and) Ceteareth-20, Phospholipids, Polyacrylamide (and) C13-14 Isoparaffin (and) Laureth-7, Benzylalcohol & Dihydroacetic acid, Xanthan gum, Disodium EDTA.
