Directions For Use:

Apply twice daily after washing face with wash.

ACTIVE INGREDIENTS:

MELANOSTATIN 5TM : Nonapeptide-1, peptide antagonist of α -MSH, Prevents further activation of tyrosinase & thus blocks melanin synthesis for better control over skin tone & brown spots, prevent hyperproduction of melanin, whitening activity proven on Asian skin

LUMISPHERE®: Diacetyl boldine (DAB) helps to decrease the amount of melanin in skin by stabilising tyrosinase in its inactive form.

Titanium dioxide coated with manganese absorbs UVA/UVB and neutralises radicals, provides instant even and luminous mat complexion It inhibits stress receptors, so that your skin doesnot turn discoloured. This product has been found to make the skin more radiant, to lighten complexions effectively, and to make skin colour more even Instant and gradual skin brightener, An immediate visible effect in association with a progressive and persistent lightening effect of the complexion Visually show that the pores are less apparent, and lines are optically erased. (10 min.)

AZELAIC ACID: Azelaic acid has been used for treatment of skin pigmentation including melasma and post inflammatory hyper pigmentation, particularly in those with darker skin types.

It is a Tyrosinase inhibitor this reduces synthesis of melanin.

LIQUORICE EXTRACT: Tyrosinase inhibitor, natural anti-inflammatory with steroidal action.

NIACINAMIDE: Tyrosinase inhibitor, skin lightening agent, improve epidermis to retain moisture, anti-inflammatory, cell and lipid regeneration

SALICYLIC ACID: Proven to unclog congested cells, removing excess sebum and exfoliate dead skin cells that are built up inside the pore

MSM: Anti-inflammatory, needed to manufacture connective tissue, whitening

MANDELIC ACID: Reduces melasma, postinflammatory hyperpigmentation and lentigines

INGREDIENTS: Aqua Trimethylpropane tricaprilate/tricaprate & glycerin 7 cetearyl alcohol & ceteareth-20 & glyceryl stearate & PEG-100 stearate & steareth-2 & dimethicone & Ceteth-24 & choleth-24 & phospholipids & Disodium EDTA, , Azelaic Acid, Lumisphere TM, Butylene glycol, Melanostatin 5 TM, Octyl Palmitate, Niacinamide, Triglycerides, Methylsulphonyl methane, Salicylic acid, Dimethicone, Licorice extract, Phenoxyethanol & Methylparaben & Butylparaben & Ethylparaben & Propylparaben & Isobutylparaben, Polysorbate 20, Squalane, Polyacrylamide, C13-14 isoparaffin, laureth 7.
