

## SKIN SCRIPTS RADICAL CREAM

### Benefits

- Like a “LASER”, this cream utilizes UV light of the sun to revitalize skin, increases skin elasticity, reduces fine lines & wrinkles, it is thus ideal to wear in day light.
- PhytoCellTec™ Malus Domestica is a revolutionary anti-aging active ingredient based on a high-tech plant cell culture technology. It delays the aging process of stem cells in human skin.
- Restructure and firm and lift skin.
- Hydrating and nourishing moisturiser formulated with therapeutic levels of phosphotidyl choline, olive polyphenols, anti-oxidants and calcium and essential aminoacids.
- Moisturizes dry skin with natural avocado butter, l-carnitine and glycerin
- Nourishes dehydrated and over-stressed skin with potent antioxidants e.g, alpha-lipoic acid (ALA) and resveratrol.
- Resveratrol, binds to specific polyphenol binding sites in epidermis, and is useful to prevent skin disorders associated with aging.

**Directions for use: Apply in the morning after washing face with wash and application Serum.**

**Active ingredients:**

**BIOLUMEN™ FIRM (LASER IN A TUBE)** utilizes UV light to revitalize skin, increases skin elasticity, reduces fine lines & wrinkles, improves skin tone & texture, based on natural ingredients.

**PHYTOCELLTEC™ MALUS DOMESTICA**, protects longevity of skin stem cells, delays senescence of essential cells, combats chronological aging and preserves the youthful look and the vitality of your skin.

**ESSENSKIN™** is a complementary source of calcium and essential amino acids through the synergetic association of calcium  $\alpha$ -hydroxymethionine and homotaurine recreates epidermal homeostasis and restores the main cell functions: differentiation, proliferation, protein and lipid synthesis. The skin regains its density, firmness, elasticity and smoothness.

**Hyaluronic acid** is a major component of skin, where it is involved in tissue repair. Hyaluronic Acid is able to absorb up to 1,000 times its molecular weight in water, it acts like a molecular sponge to prevent moisture loss.

**Rice bran oil** is used to soften and condition the skin. Rich in anti-oxidants and gamma-oryzanol. This helps protect and replenish skin, and can help reduce inflammation and soothe discomfort.

**Lipoic acid** is very potent anti-oxidant that is water and oil soluble, with very good firming and anti-aging properties.

**Resveratrol**, antioxidant polyphenol from red wine, it binds to specific polyphenol binding sites in epidermis, and is useful to prevent skin disorders associated with aging.,17 times more potent than idebenone.

**Other ingredients**

Aqua, Phosphatidylcholine, l-Arginine, Glycerine, Ceto steryl alcohol (and) Cetearth-20 Cetostearyl alcohol, Glyceryl Stearate (and) PEG-100 Stearate, Olive butter, Xanthan gum, Benzyl alcohol & dihydroxyacetyl acid., Alpha tocopherol acetate, Ginseng extract, Cucumber extract.
