

Skin Scripts Rescue Wash

A gentle foaming wash. This wash prepares the skin so that products with active ingredients that will be applied after the wash will have increased absorption and efficacy.

BENEFITS:

- Even skin tone
- Reduce the signs of age spots and freckles
- Tighten pores
- Reduce fine lines and wrinkles
- Significantly reduce symptoms of rosacea

**DRA PHARMACEUTICALS,
15 Victoria Link , Route 21 Corporate Park, Irene X
31, Centurion, South Africa**

DIRECTIONS FOR USE:

Use twice daily for best results. Wet skin with lukewarm water , massage cleanser into skin with gentle circular motion. Rinse and pat dry.

WARNINGS:

FOR EXTERNAL USE ONLY. Discontinue if redness or irritation occurs. Do not use if allergic to any of the ingredients. Avoid direct contact with eyes, if contact occurs, flush thoroughly with water.

Active ingredients:

Mandelic acid: Is a wonderful ingredient for the fight against acne because of its unique anti-bacterial action.

Bacteria in clogged pores is the root cause of acne, pustules, and black heads on the skin's surface. Like other Alpha Hydroxy Acids, it provides an excellent exfoliation effect, ridding the skin's surface from debris, bacteria and dead skin cells that often clog pores and cause acne, just without the irritation other AHA's often cause.

Malic acid: Malic acid is an AHA's with an ability to help exfoliate the skin. Malic acid is a safer alternative because unlike other AHAs it's got a slightly larger molecular structure that results in a slower more even penetration and that also leads to less irritation.

Other ingredients

Aqua, Sodium laureth sulphate, Sodium lauroyl sarcosinate, Carbomer , Cocoamidopropyl betaine, Propylene glycol, PEG-7 glyceryl cocoate, Sodium hydroxide, Benzyl alcohol, Dihydroacetic acid, Disodium EDTA.
