

## Epistrata Neck & Bust Cream

Contains peptides that remodel the contours of the décolleté through a progressive and targeted process, also moisturise, protect and promote collagen synthesis and slow down the aging process.

### BENEFITS:

- Skin hydration
- Soothes skin
- Anti-inflammatory & healing properties.
- Encouraging the production of natural emollients that can help the skin remain hydrated and retain moisture

### MANUFACTURED IN SOUTH AFRICA

**DRA PHARMACEUTICALS,**  
Route 21 Corporate Park, Irene X 31,  
Centurion.

### DIRECTIONS FOR USE:

Apply twice daily to neck and breasts for best results.

### Active ingredients:

**Argiriline** hexapeptide mimics the N-terminal end of SNAP-25 and competes with this natural protein for a position in the SNARE complex.,

neurotransmitters are not released efficiently and facial contractions are weakened and muscles relaxed, thus inhibiting the formation of wrinkles.

**Pentapeptide 18** a neuropeptide that works synergistically with Argiriline and increases the benefits, reduces the depth of wrinkles caused by the muscle contractions of facial expressions.

**Hyaluronic Acid** - It helps to keep skin smooth and "plump" through its ability to hold up to 1,000 times its weight in water.

**L-Carnosine** - L-Carnosine helps to prevent skin collagen cross-linking which leads to loss of elasticity and wrinkles. It is a Super Anti-Oxidant that quenches even the most destructive free radicals.

**Calendula Extract**- contains high amounts of flavonoids, plant-based antioxidants that protect the body against cell-damaging free radicals.

**Ginseng Extract**- helps the microcirculation of the skin, which helps reduce fine lines and makes the skin firmer

**Geranium Oil** - balances the skin and creates a balance between oily and dry skin.

**Green Tea Extract**- Anti-Oxidant and Anti-Inflammatory.

### INGREDIENTS:

Aqua, Cetearyl Alcohol, Glyceryl Stearate, PEG-40 Stearate; Cetareth-20, Glycerin, Isododecane, Isohexadecane, Methylsulphonylmethane, Shea butter, Niaciamide, Abyssinian oil, Stearic acid, Jojoba oil, alpha tocopherol acetate, Magnesium Aluminum Silicate, L-lysine, Allantoin, Argiriline, Pentapeptide 18, Xanthan gum, Squalane, 3-Aminopropane Sulfonic Acid. 3-Aminopropane Sulfonic Acid, Benzyl alcohol, dihydroacetic acid, Cetyl alcohol, PEG 40 hydrogenated Caster oil.
